

BLACK&CREAM

Following a respectful review of the classics from a contemporary perspective, Arcana Ceramica has created BLACK&CREAM. This extensive collection of wall and porcelain floor tiles pays homage to the most traditional colours of the world of high quality decoration, whilst bringing the graphics right up to date.

By combining elegant, yet avant-garde elements, a modernity is brought to the series, rarely found in ceramic interior design. Black & Cream emphasizes the simplicity of the material used, making it ideal for use on its own in the most tranquil of spaces. However, the range also offers the individual the possibility of bringing a greater level of controlled sophistication through the use of exclusive pieces which enhance the overall effect.
